

*Come and join our team!  
Let's shape the future of mobility together!*

**Who are we?**

Around 33,000 team players worldwide, working hard at over 100 locations in more than 30 countries. As a driving force for progress in road and rail transportation, we prioritize technical excellence, sustainable business practices, and social responsibility, with global sales amounting to €7.9 billion.

Join us, and you can look forward to exciting and varied work in an international environment with attractive working conditions, including flexible working hours and remote work options. A wide range of continuing education programs offers many opportunities for you to develop both professionally and personally. You can also expect many other benefits, such as sports and health programs, access to a physiotherapist, corporate volunteering, subsidized public transportation options, and more.
