

General Terms & Conditions of Purchase - Direct (Feb 2024)

1. Agreement

- 1.1 The agreement between the parties consists of:
- 1.1.1 these Terms;
 - 1.1.2 the Purchase Order (**PO**);
 - 1.1.3 any Specification (as described below) or other documents in agreed form; and
 - 1.1.4 the master purchase framework agreement (if any) agreed between the parties (**Master Purchase Framework**), including such schedules (**Schedules**) and annexes (**Annexes**) as applicable. (together, referred to as the **Agreement**).
- 1.2 The Agreement is between Knorr-Bremse Rail Systems (UK) Limited, incorporated and registered in England and Wales with company number 03974921, whose registered office is at Westinghouse Way, Hampton Park East, Melksham, Wiltshire, SN12 6TL (**KBRS**) and supplier identified in the PO (**Supplier**).
- 1.3 The Agreement shall apply to and shall govern the relationship between KBRS and Supplier in relation to the supply of any Goods and/or Services supplied by Supplier to KBRS or to any of its Affiliates to the exclusion of all other terms and conditions that Supplier may seek to impose or incorporate, or that may be implied by trade, custom, practice or in the course of dealing. Without prejudice to the foregoing, no terms or conditions delivered with or contained in Supplier's delivery note, quotation, acknowledgement or acceptance of order, specification, invoice or similar document shall apply and Supplier waives any right which it otherwise may have to rely on such terms and conditions. Any amendment to the Agreement is only valid if agreed in writing and signed by Authorised Representatives of both parties.
- 1.4 KBRS and its Affiliates shall be entitled from time to time to request in writing the provision of any Goods and/or Services from Supplier and Supplier shall provide such Goods/Services to KBRS and its Affiliates pursuant to the Terms. References to KBRS in the Agreement shall, in such circumstances, be deemed to be references to the relevant Affiliate. Accordingly, all benefits, warranties, indemnities, rights and licences granted or provided to KBRS shall be deemed to be for the benefit of KBRS and each Affiliate which enters into a PO with Supplier.
- 1.5 Supplier shall deliver Goods and/or perform Services in a prompt manner and at all times in accordance with the Agreement. Each PO, and each Schedule or Annex, shall incorporate these Terms and each PO shall become a part of the Agreement upon execution by KBRS and Supplier and shall not form a separate contract to it.
- 1.6 If there is an inconsistency between any of the provisions of these Terms and the provisions of any PO, the provisions of the PO shall prevail.
- 1.7 Each PO shall be agreed in the following manner (or, at KBRS' discretion, in the manner prescribed by KBRS in which event such process shall only apply to the manner in which that particular PO is agreed):
- 1.7.1 an order for the purchase of Goods and/or Services shall be made by KBRS by issuing a PO to Supplier. Each PO shall be either in writing or in electronic form;
 - 1.7.2 Supplier shall advise KBRS within five (5) Business Days of the date of the PO if it is unable to meet the requirements of the PO. In such circumstances, the parties shall negotiate in good faith any required changes to the PO to enable the PO to become binding on amended terms;
 - 1.7.3 Supplier shall accept a PO by issuing an Order Confirmation (**OC**) either in writing or in electronic form or by carrying out any act consistent with the fulfilment of the PO, at which point and on which date the PO shall become binding.
- 1.8 KBRS may, from time to time, request changes to a PO by issuing an Order Amendment (**OA**) to Supplier. Supplier shall use all reasonable endeavours to comply with the terms of the OA.
- ### 2. General obligations of Supplier
- 2.1 Supplier shall perform its obligations under the Agreement (including the design, processing, development, manufacture, packaging and supply of Goods, and the provision of Services):

- 3.1.1 correspond with their description, any applicable Specification, samples, drawings, designs, descriptions or otherwise in accordance with all KBRS' instructions;

- 3.3 Failing an agreement to the contrary, Supplier shall be obliged to Deliver replacement Goods in the appropriate condition for the period of ordinary technical use for no less than fifteen (15) years, or such other period as specified in the PO, after Delivery of the last Goods covered by a PO and/or OA. Supplier shall provide KBRS with not less than twelve (12) calendar months prior written notice of its intention to make any Goods obsolete and shall ensure that replacement goods, compatible with Goods in every way, shall continue to be available.
- 3.4 Supplier shall use all reasonable endeavours to pass to KBRS the benefit of any manufacturer and other warranties and/or guarantees relating to Goods.
- 3.5 Supplier shall:
- 3.5.1 perform Services with the reasonable care, skill and diligence to be expected of a leading provider of services substantially similar to Services and KBRS' instructions;
- 3.5.2 ensure that Services and Deliverables will conform with all descriptions and specifications set out in the PO and/or in any Specification, and that Deliverables will be fit for their intended purpose, including any purpose that KBRS expressly or impliedly makes known to Supplier; and
- 3.5.3 allocate sufficient resources (including personnel) to Services to ensure it is able to comply with its obligations under the Agreement.
- 3.6 Supplier warrants throughout the Warranty Period that all Services will be performed in accordance with the standards of care and diligence normally practiced by persons performing similar services and in the best workmanlike manner.
- 4. Delivery, Transport and Packaging, Export Control**
- 4.1 Supplier shall ensure that:
- 4.1.1 Goods are properly packed, in accordance with the requirements of the relevant PO and the packaging requirements of KBRS and secured in such manner as to enable them to reach their destination in good condition; and
- 4.1.2 each Delivery of Goods is accompanied by a Delivery Note which shows:
- (i) the date and number of the PO, or OA;
- (ii) the type and quantity of Goods;
- (iii) special storage instructions, if any; and
- (iv) such additional data as KBRS may reasonably request, to the extent the same can reasonably be included in the Delivery Note.
- 4.2 Supplier shall Deliver Goods on the Delivery Date and if no such date is specified, then as soon as possible and, in any event, by any date made known to Supplier by KBRS or otherwise within fourteen (14) days of the date of the PO. Each Delivery shall be to the Delivery Location. Goods shall be delivered according to the Incoterms 2020 specified in the PO. Supplier shall meet any performance dates for Services specified in the PO or any other dates that KBRS has notified to Supplier.
- 4.3 Time is of the essence in the performance of Supplier's obligations under a PO. If Supplier anticipates that it will not be able to Deliver Goods on the agreed dates, Supplier shall promptly give notice to KBRS stating the reason for delay and specifying when Delivery can be expected. However, such notice does not release Supplier from its liability for the delay.
- 4.4 Where required under a PO, the parties may agree on an acceptance procedure, in which case acceptance shall be subject to KBRS' written acceptance statement.

- 4.5 Notwithstanding any inspection or tests by KBRS, Supplier shall remain responsible for compliance of Goods and/or Services with the Agreement. Any inspection or testing of Goods by KBRS shall in no event exempt Supplier from or limit Supplier's obligations under the Agreement.
- 4.6 KBRS shall not be deemed to have accepted Goods until it has had a reasonable time, and no less than ninety (90) days, to inspect them following Delivery, or, in the case of a latent defect in Goods, until a reasonable time after any latent defect in Goods has become apparent and if such inspection reveals any Defect, KBRS may provide notice of such Defect after it has become apparent and/or reject any or all Goods.
- 4.7 Acceptance of any part of Goods Delivered and/or Services performed shall not bind KBRS to accept future shipments of non-conforming Goods and/or future performance of Services, nor deprive KBRS of the right to return nonconforming Goods and/or require reperformance of Services already accepted.
- 4.8 Without prejudice to any other right or remedy KBRS may have on each occasion when Supplier fails to perform its obligations under the Agreement by the Delivery Date, Supplier shall pay to KBRS liquidated damages for such delay as set out in a PO. Such liquidated damages shall be deemed to be a genuine estimate of the foreseeable loss suffered by KBRS due to such delay, and not a penalty.
- 4.9 If all or part of any combination of Goods are not Delivered on the Delivery Date, KBRS may at its option:
- 4.9.1 terminate the Agreement in whole or in part;
 - 4.9.2 refuse any subsequent delivery of Goods;
 - 4.9.3 recover from Supplier any expenses reasonably incurred by KBRS in obtaining Goods in substitution from another supplier;
 - 4.9.4 claim damages for any cost, loss, expenses incurred by KBRS and liquidated damages; and/or
 - 4.9.5 claim liquidated damages at a rate of 1% of the total Price for each week (or part) of delay up to the total Price of Goods.
- 4.10 Liquidated damages under this Clause 4 shall become due at the time of demand in writing by KBRS and shall be deducted immediately from any amount owed to Supplier. Supplier's payment of liquidated damages under this Clause 4 does not prejudice the rights of KBRS to make any other claim against Supplier in connection with the late Delivery.
- 4.11 Supplier must obtain any relevant certificate of origin on behalf of KBRS at Supplier's expense and render to KBRS such certificate at the time of Delivery, such certificate to be appended to the Delivery Note.
- 4.12 Supplier acknowledges that Goods and/or Services, or part of them, may be subject to export controls and regulations and Supplier shall comply with all such applicable export laws and regulations (including U.S. regulations). Supplier shall identify such part of Goods and/or Services that is subject to export laws and regulations at the time of acceptance of the PO and provide all relevant export control information, including the relevant export control classifications. Supplier shall include on all Delivery Notes the correct export control classification number (including any U.S., EAR or ITAR classification), the number or reference of any applicable export license and distribution restrictions in this regard. Supplier shall be responsible for obtaining in time, at its own cost, all necessary governmental export licenses, authorisations, approvals and clearances.
- 4.13 Supplier shall at all times comply with its obligations under the Registration, Evaluation, Authorisation and Restriction of Chemicals Regulation No 1907/2006 (as amended) (**REACH**), UK REACH or any equivalent regime operating in any relevant jurisdiction at its own cost to the extent permitted by law; and maintain a valid REACH registration /pre-registration for all relevant substances within Goods for KBRS' use.
5. **Defects**
- 5.1 KBRS shall, upon becoming aware of any Defect, give written notice of any Defect to Supplier, including a description of the Defect. In case of any Defect being found in any Goods or Services, KBRS shall, at its option be entitled to:
- 5.1.1 require Supplier to inspect, remove, reinstall, ship and repair or replace/re-perform defective Goods and/or Services with goods and/or services that conform to all requirements of the PO;
 - 5.1.2 take such actions as may be required to cure all Defects and/or bring Goods and/or Services into conformity with all requirements of the PO, in which event all related costs and expenses (including, but not limited to, material, labour and handling costs and any required re-performance of value added machining or other service) and other reasonable charges shall be for Supplier's account; and/or carry out (or to instruct a third party to carry out) any additional work necessary to make Goods and/or Services comply with the PO, and charge the costs to Supplier;
 - 5.1.3 refuse any further Goods or Services;
 - 5.1.4 reject and return all or any portion of such Goods and/or Services;
 - 5.1.5 claim such damages as may have been sustained by KBRS as a result of Supplier's breach of the PO; or
 - 5.1.6 terminate the PO.
- 5.2 Supplier shall re-imburse KBRS all sums paid by KBRS for any defective Goods and/or Services and, in the case of Goods, take back those Goods at Supplier's own cost and risk. The rights and remedies available to KBRS under the PO are cumulative and are not exclusive of any rights or remedies available at law or in equity. KBRS may impose a reasonable charge for handling, storing and returning any rejected Goods. If KBRS rejects but does not return Goods, then Supplier may remove Goods at its own expense and risk within fourteen (14)

days of receipt by Supplier of a notice of rejection. If Goods are not removed within this time, KBRS shall be entitled to dispose of Goods without having to account to Supplier for the proceeds of disposal.

5.3 KBRS' failure to inspect, accept, reject or detect Defects by inspection shall neither relieve Supplier from responsibility for any such Defective Goods or Services nor impose any liabilities on KBRS. KBRS validation, approval or conditional approval of Goods or Services shall not relieve Supplier from responsibility, liability or waive the warranties provided under the Agreement.

5.4 If at any time a governmental agency of any country, state, province or municipality requires KBRS to conduct a product safety recall or a field modification/fix programme, or KBRS voluntarily undertakes such an action related to any Goods, KBRS may notify Supplier of any such action and Supplier shall, at KBRS' option, either repair or replace the related Goods, and reimburse KBRS for any costs, expenses or damages.

5.5 The remedies set out in Clause 5. shall apply to any repaired or replacement Goods supplied by Supplier and/or to any substituted or remedial Services and, for the avoidance of doubt but without limitation, Goods replaced or repaired shall be subject to a new Warranty Period commencing on the actual date of acceptance of the repaired or replaced Goods.

5.6 In the event of a Serial Defect, KBRS may notify Supplier and Supplier shall perform a thorough investigation of the relevant Goods as soon as possible after such notification and shall provide KBRS with a root cause analysis of the cause of the Defect, a rectification plan to remedy the Serial Defect and shall repair or replace all those Goods provided, or part thereof whether a Defect has been found, or not. If there is a dispute as to whether the Defect is a Serial Defect, the dispute shall be determined by an independent engineer mutually selected by the parties. In the event of the discovery of a Serial Defect during the original Warranty Period the Warranty Period for Goods or parts thereof containing the Serial Defect shall be extended by an additional Warranty Period.

6. **Title and Risk**

6.1 Without prejudice to KBRS' rights of rejection under the Agreement, Supplier agrees that Title will transfer to KBRS when payment of the relevant invoice for such Goods and/or Services is made by KBRS.

6.2 Where, for the purpose of the Agreement, KBRS issues materials or equipment free of charge to Supplier, such materials or equipment shall be and remain at all times the property of KBRS. Supplier shall maintain all such materials or equipment in good order and condition and shall store such materials and/or equipment separately from its own and shall clearly label such materials or equipment as the property of KBRS. Supplier warrants and undertakes that it shall use such materials or equipment solely in connection with the Agreement.

6.3 Where Supplier at any time has possession of Goods, Title to which has vested in KBRS, Supplier shall set aside, clearly identify and properly store those Goods as being the absolute property of KBRS and such Goods shall not be removed from Supplier's Premises without the written consent of KBRS other than for the purpose of making Delivery. Further, Supplier shall not mortgage, charge, pledge, sell, lease, lend, exercise any lien over or part with possession of any Goods.

6.4 Goods shall be at Supplier's risk until the Delivery has been accepted by KBRS notwithstanding that payment may have already been made and/or Title may have already passed to KBRS. Supplier shall be responsible for any loss thereof or damage thereto and for arranging and paying for the storage, handling and insurance of Goods, the materials or equipment, which insurance shall be endorsed in the name of and protect the interests of KBRS on an "all risks" basis and shall so provide cover for loss or damage in transit and, if required, produce to KBRS a copy of any relevant insurance policy and receipts for premiums paid. All monies received under such policies shall be applied in or towards the replacement or reparation of Goods, materials or equipment lost, destroyed or damaged but this provision shall not affect Supplier's liabilities under the Agreement.

7. **Price and Payment**

7.1 KBRS shall pay the Price set out in the applicable PO. Unless expressly stated otherwise in a PO, all prices are fixed and shall not be subject to change. All payments shall be in United Kingdom Pounds Sterling (GBP) unless otherwise agreed to in the PO.

7.2 Any Prices which are expressly stated in a PO to be "Indexed" or subject to "Indexation" shall be adjusted on an annual basis, effective on the first day of each calendar year following the year in which the Commencement Date falls and based on 60% of the increase in the Consumer Prices Index since December of the previous year and subject, in any event, to a cap of 4%.

7.3 The Price shall be fully inclusive of all and any costs incurred in relation to transportation, insurance, customs clearance, fees and taxes and shall be Delivered according to the Incoterms 2020 specified in the PO at the Delivery Location, or as otherwise agreed in writing between the parties. The Price shall be exclusive of VAT which may be chargeable in addition to the Price at the applicable rate and to the extent required by Applicable Law.

7.4 The Price for any Goods or Services shall not exceed the pricing for the same or comparable goods or services offered by Supplier to any third parties. Supplier shall promptly inform KBRS of any lower pricing levels for same or comparable goods or services and the parties shall promptly make the appropriate adjustment to the Price. Notwithstanding anything contained herein to the contrary, in the event that KBRS purchases Goods in excess of any original forecast and/or Supplier's quotation by ten percent (10%) or more, then KBRS shall be entitled to a reduction in the price on all future POs of Goods or Services equal to an amount agreed to by the parties,

provided, however, in no event shall the Price be greater than ninety percent (90%) of the then current Price of Goods or Services.

- 7.5 Supplier shall submit invoices to the billing address specified in the PO in an auditable form, complying with Applicable Laws, generally accepted accounting principles and the specific requirements of KBRS. Invoices must contain the following minimum information:
- 7.5.1 Supplier's name, address and reference person including contact details;
 - 7.5.2 the PO number;
 - 7.5.3 invoice date;
 - 7.5.4 invoice number;
 - 7.5.5 order number;
 - 7.5.6 address of Delivery Location;
 - 7.5.7 quantity;
 - 7.5.8 Specification of Goods and/or Services;
 - 7.5.9 Price (total amount invoiced);

 - 7.5.12 country of origin.
- 7.6 The terms of payment are 60 (sixty) (or such other period as agreed in the PO) calendar days from the end of the month following receipt of a valid invoice.
- 7.7 KBRS may set-off or deduct from any monies payable by KBRS to Supplier under the Agreement, any amounts which are payable by Supplier to KBRS. KBRS may withhold amounts disputed in good faith while the parties attempt to resolve the dispute, and this will not constitute a breach.
- 7.8 If a party fails to pay any undisputed sum due from it to the other by the stipulated date for payment, that party shall be liable to pay interest on a daily basis at a rate of 4% above the base rate of Barclays Bank Plc accruing until paid, whether before or after judgement.
- 8. Liability and Insurance**
- 8.1 Nothing in the Agreement shall limit or exclude a party's liability for:
- 8.1.1 death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors (as applicable);
 - 8.1.2 fraud or fraudulent misrepresentation; or
 - 8.1.3 any matter in respect of which it would be unlawful for a party to exclude or restrict liability.
- 8.2 Subject to Clause 8.1 (and in the case of Supplier, subject to Supplier being in compliance with all Applicable Laws), neither party shall under any circumstances whatsoever be liable to the other party, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any indirect or consequential losses arising under or in connection with the Agreement.
- 8.3 Save as set out in Clause 8.1 above, the total liability of Supplier to KBRS in respect of all other losses arising under or in connection with an individual PO, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the greater of the Price of Goods and/or Services and GBP 100,000 (**Liability Cap**). Notwithstanding the foregoing, to the extent that an amount payable under an insurance policy, as described in Clause 8.4, shall exceed the Liability Cap, then the liability of Supplier shall be the amount payable under the insurance policy.
- 8.4 Subject to Clause 8.1, the total liability of KBRS to Supplier in respect of all other losses arising under or in connection with an individual PO, whether in contract, tort (including negligence), breach of statutory duty, or otherwise shall be limited to the payment of the Price for Goods provided and/or Services performed in accordance with this Agreement.
- 8.5 During the term of the Agreement and for a period of not less than six years thereafter, Supplier shall, at its own cost, maintain in force, with a reputable insurance company, employer's liability insurance, professional indemnity insurance, product liability insurance and public liability insurance to cover any liabilities that may arise under or in connection with the Agreement to a minimum amount of cover, in respect of each type of insurance, equivalent to GBP 10 million for each and every incident, and shall, on KBRS' request, produce both the insurance certificate giving details of cover and the receipt for the current year's premium in respect of each insurance.
- 9. KBRS' Materials**
- 9.1 Any Documentation in connection with a PO shall remain the sole and unrestricted property of KBRS and shall be returned by Supplier to KBRS in sound condition at the termination or expiration of the relevant PO, or upon KBRS' written request. Without the written consent of KBRS, the Documentation may not be passed on to third parties or made available for them to view, nor may it be copied or destroyed.
- 9.2 All KBRS Materials made available to Supplier for processing, assembly, examination or other purpose remain the unrestricted property of KBRS. Until such time as Supplier shall return such KBRS Materials, Supplier shall bear any risks associated with any damage or loss and shall ensure it has adequate insurance in place. Supplier shall be liable for all damages incurred by KBRS in connection with the Delivery to and the possession by Supplier of such KBRS Materials including, without limitation, damages to the objects themselves and all direct

and indirect damages resulting from the incorrect maintenance, destruction, loss or the delayed return of such KBRs Materials.

9.3 Supplier hereby agrees that KBRs may, upon reasonable notice, enter the premises where KBRs Materials may be and take possession thereof, whether at Supplier's premises or its supplier's, or request Supplier, at Supplier's cost, to deliver the KBRs Materials to a specified location.

10. **Intellectual Property Rights (IPR) and Indemnity**

10.1 All KBRs Background IPR shall remain vested in KBRs or its licensors and there shall be no assignment of any KBRs Background IPR to Supplier. KBRs grants to Supplier a limited, non-exclusive, royalty-free, non-transferable, [non-sublicensable] revocable licence to use such KBRs Background IPR solely to the extent required for Supplier's performance of its obligations under the Agreement. Such licence shall terminate on expiry or earlier termination of the Agreement.

10.2 Subject to Clause 10.5, all IPR in Goods, including drawings and documents that relate to Goods, the Deliverables and in any materials which are created by or on behalf of Supplier as a result of the provision of Goods and/or Services and which are produced for, on behalf of or at the request of, KBRs pursuant to the Agreement including a PO shall immediately vest in KBRs on creation. If by operation of law such IPR do not automatically vest in KBRs then Supplier hereby assigns or otherwise shall assign to KBRs (including by way of an assignment of future IPR), in each case at no cost to KBRs, with full title guarantee and free from all charges, liens, licences and other encumbrances all such IPR together with the right to sue for and obtain full and effective relief (including damages) in respect of any infringement of such IPR by a third party.

10.3 Supplier shall, promptly at request of KBRs, do (or procure to be done) all such further acts and things and the execution of all such other documents as KBRs may from time to time require for the purpose of securing for KBRs the full benefit of the PO, including all right, title and interest in and to the IPR granted to KBRs.

10.4 KBRs shall have the right to, without limitation, use, copy, maintain, adapt, modify, sell, transfer and exploit Goods, including drawings and documents that relate to Goods. Supplier shall specify in writing and prior to Delivery all open source software contained in or used by Goods, if any, and request KBRs' written approval. Supplier agrees to replace, at its own cost, any open source software components rejected by KBRs with software of at least the same quality and functionality.

10.5 Where any Deliverables and any other materials which are otherwise created by or on behalf of Supplier as a result of the performance of the Agreement are supplied with or have embedded in them Supplier Background IPR then Supplier shall retain ownership of such Supplier Background IPR, but hereby grants to KBRs a non-exclusive, perpetual (unless agreed otherwise in a PO), irrevocable, royalty-free licence to use such Supplier Background IPR in any way whatsoever to facilitate and/or enable full use of Goods and/or Services and Deliverables or other materials and, for this purpose, to sub-license such Supplier Background IPR to third parties.

10.6 All logos, trade names or trade marks (**Marks**) owned or used by KBRs in the course of its business are the property of KBRs or its licensors. KBRs reserves all IPR in relation to the use of such Marks. Supplier may not use or permit the use of such Marks or any similar Marks without the prior written permission of KBRs.

10.7 If any claim is made against KBRs that Goods or Services infringe a third party's rights, Supplier shall, at KBRs' discretion, at its own cost, either (i) procure for KBRs and its customers, as the case may be, the right to continue using Goods; (ii) modify Goods so they cease to be infringing; or (iii) replace Goods by non-infringing equivalents. The remedies set out in this Clause 10 are without prejudice to any other remedy available to KBRs, including the right to claim damages.

10.8 Supplier agrees that its fulfilment of the Agreement, each PO and any Goods, Deliverables, Services or materials supplied by Supplier pursuant to the Agreement and the normal use of the same in accordance with the terms of the Agreement shall not infringe any IPR of any third party (save that no liability shall attach to Supplier to the extent this results from any KBRs Background IPR provided by KBRs).

10.9 Supplier shall indemnify and keep indemnified KBRs, and its Affiliates, and their respective vendors and customers, from and against any expense or liability, including costs, fees and all damages, arising out of any claim, suit or proceeding that the manufacture or furnishing of Goods and/or Services under a PO, or the use of such Goods and/or Services or sales of such Goods and/or Services constitutes infringement or alleged infringement of any third party's IPR suffered by KBRs or any of its Affiliates as a result or in connection with the receipt, use or possession of Goods and/or Services by KBRs or its Affiliates whether or not such losses, costs, claims, demands, actions, proceedings, fines, penalties, awards, liabilities, damages, compensation, settlements, expenses and/or professional costs and/or charges were foreseeable at the date the parties entered into the Agreement.

10.10 If an alleged claim of infringement or misappropriation is made, Supplier shall procure for KBRs, and KBRs customers, the rights to continue using Goods and/or Services, modify them in a manner acceptable to KBRs to remove the claim, or with the written approval of KBRs, replace Goods and/or Services with a non-infringing one or remove Goods and/or Services and refund the Price.

11. **Confidentiality**

11.1 The parties each agree to treat all information exchanged under or in relation to any PO, irrespective of the nature of the information or the medium under which it is transmitted, and including the existence and detail of any PO, with strict confidentiality. Each party undertakes that it shall not at any time disclose to any other person

- 11.2.3 as may be required by law, a court of competent jurisdiction, or any government or regulatory authority and/or as required by any public body with which a customer has a contractual relationship and under that contractual relationship disclosure is required.
- 11.3 Neither party shall use the other party's Confidential Information for any purpose other than to perform its obligations under the Agreement.
- 11.4 Supplier acknowledges that KBRS' customers may be subject to the requirements of the FOIA and the Environmental Information Regulations 2004 'EIRS' and will provide all necessary assistance to KBRS to enable it to comply with all information disclosure obligations thereunder; including that:
- 11.4.1 KBRS may request Supplier to provide information in its possession in a specific form and Supplier will respond within five (5) working days;
- 11.4.2 KBRS has absolute discretion, notwithstanding any other provision in the Agreement, to determine whether requested information is exempt from disclosure;
- 11.4.3 Supplier should not respond to any request for information under the FOIA or EIRS in respect of information held on behalf of KBRS, and Supplier will forward the request to KBRS promptly and notify the applicant that KBRS will respond to the request; and
- 11.4.4 Supplier acknowledges that (notwithstanding the provisions of this Clause 11.4.4), KBRS may be obliged to disclose information concerning Supplier or the Agreement in certain circumstances:
- (i) without consulting Supplier; or
- (ii) following consultation with Supplier and having taken their views into account, and where (i) above applies, KBRS will, in accordance with any relevant guidance issued under the FOIA, take reasonable steps, where appropriate, to give Supplier advanced notice or, failing that, to draw the disclosure to Supplier's attention after any such disclosure.
12. **Data Protection**
